Funeral Teas

Here at The Victoria Hotel, we understand that organising a funeral reception can be a sensitive situation so we aim to make the planning as easy and stress-free as possible.

We have all lost somebody close at some point in our lives and know how heartbreaking and traumatic a time this can be. Whilst family, friends and acquaintances of the deceased will certainly want to attend a funeral and pay their respects, it is usually the task of those closest to arrange such a gathering.

We will ensure that your guests are welcomed to our hotel, made to feel comfortable and shown to your private room. There we will serve your choice of menu made by our professional bakers.
